# Thank you Verizon

for your support with our *"New Innovative STEM Program"*! The *\$20,000 Verizon Grant Aims to Drive Student Interest, Achievement in STEM Fields.*

*Together we have the POWER to make a difference!*

Mrs. Sorden's vision for the program is as follows: *"Our long-term goal is to transform our culture by creating a world where science and technology are celebrated and where young people dream of becoming science and technology leaders. We will implement a hands-on program that will allow students to create functional robots that so that our students are able to see the POWER behind creation."*
